## COMMERCIAL PROFILE

### PROFILE DRAWING

### OVERLAP DETAIL

### R-RIB FEATURES

- ✓ 26 Gauge Steel - Engineered for Maximum Strength, Span up to 4'
- ✓ Performs great on low slope roofing applications, as low as 1/12
- ✓ 12" spaced 1-1/4" high ribs with purlin bearing-leg
- ✓ Available in 22 colors with a 40-year warranty, perforated panels available.

### MULTI-APPLICATION

The Graber R-Rib commercial panel is a great fit for a variety of agricultural, commercial, and industrial applications. Our panel substrate is Galvalume AZ50, this will provide your building with years of protection against corrosion. This panel preforms great for interior and exterior purposes for both roofing and siding applications. Performs well with both a solid substrate or open framing.
